**A Reminder to Parents of Grade 5/6 Students:**

Camp is on Wednesday. Please see above for the item list and double check that your child has all items. This list originally went home in Term 1.

There is a high chance of wet weather and we will still be doing outdoor activities if this is the case. Please ensure your child has a water-proof jacket, and extra pair of shoes.

Please see your child's teacher before Wednesday if you have any last minute concerns or queries.

Thank you.
