## Parents & Friends Association Meeting

**14th June, 2016**  
**Meeting Opened: 7.32pm**

**Business Arising from previous minutes:**

**Mother's Day Stall:** Thanks to Tammi and all her helpers for the successful Mother's Day stall.

**Mother's Day roses:** The new format of Mother's Day made handout of flowers difficult. Suggested that a flower would be needed for all students not just all mothers which would increase the cost and work involved. There was good feedback on the new Mother's Day format, especially from the students and teachers. From a P & F perspective it was not as popular and it was decided that flowers would not be purchased in future unless they are handed out in the Church.

**Steve Biddulph:** All is ready for next Wednesday, 22nd. Maree will have keys and security codes to unlock the hall and turn on PA. Helpers are required around 2.30pm to help set up the hall. Anthony suggested using students to help move chairs. Annie to send flyer to all Catholic schools.

**School Magazine:** Alli spoke to Glenn who has not been able to get the magazines printed yet. He will be only doing 10 and is hoping to have them done by the end of this week ready for distribution on Monday 20th. So far 6 have been paid for.

**Footy Tipping:** Discussion on what happens when the margin is greater than 100 as this is the maximum points ticket. As happened this week the margin was 108, so it was suggested that the person with 8 points win. A copy of the rules said that "if the result is higher than 100 then the hundred can be ignored". After discussion a vote was taken and agreed to not pay out on margins over 100.

**Bunnings BBQ:** Maree to contact Bunnings to get our name on the list for some time this year.
