

## Playgroup Term 1 2018

Our Birth to 4 years Playgroup provides a great opportunity for you and your child to become familiar with our school, meet other families of the school and engage in a range of activities that will help develop the skills your child will need throughout their school life. The activities will focus on your child's physical, social, emotional, cognitive and language development.

New families are always welcome!

Please bring a piece of fruit to share, drink bottle and a hat to every session.
